Greetings,

My name is Brian Wray and I am President of the Challenger Little League District 11 of South Bend, IN.

The Challenger Division was established in 1989 as a separate division of Little League. It empowers children with physical and mental challenges to enjoy the game of baseball along with the millions of other children who participate in this sport worldwide. Today, more than 30,000 children participate in more than 900 Challenger Divisions worldwide. Without the Challenger League, these kids will not have this opportunity.

In order to meet the need of our local kids, we need your financial support. I want you to partner with us as a financial supporter of the Challenger League. Whether it be a one-time donation, or a raffle donation for our opening ceremonies in the spring, your contribution matters. If you have any questions, please feel free to call.

Thank you for your support of this worthy cause for our children. Below is a tear-off reply with mailing address. Please include this when sending your donation.

Sincerely,

Brian Wray
